Class W 1**DRY RED GRAPE.**

Medium to dark red in colour. Light to medium body. Acidity and body should be in balance and there should be some tannin present. Bouquet should be fruity and vinous and in harmony with flavour and body. Alcohol 11% - 14% by volume. Should be dry to the palate and the S.G. less than 1000.

Class W 2.**MEDIUM RED GRAPE.**

Medium to dark red in colour. Light to medium body. Acidity and body should be in balance and there should be some tannin present. Bouquet should be fruity and vinous and in harmony with flavour and body. Alcohol 11%. 14% by volume. There should be discernible sweetness to the palate and the S.G. between 1000 and 1005.

Class W 3.**SWEET RED GRAPE.**

Medium to dark red in colour. Should be full-bodied and in balance with acidity and with some tannin present. Bouquet should be fruity and vinous and in harmony with flavour and body. Alcohol should be 11%. 14% by volume. The palate should be sweet, with an S.G. greater than 1005.

Class W 4.**DRY WHITE GRAPE.**

Pale to light straw colour or with a greenish tinge. Light to medium bodied, and acid should be crisp but not harsh, with a fresh fruity bouquet, and with a clean after-taste free of bitterness or sweetness, and dry to the palate. Alcohol 10% - 12% by volume, and the S.G. should be less than 1000.

Class W 5.**MEDIUM WHITE GRAPE.**

Pale to light straw colour, or with a greenish tinge. Light to medium bodied, and the acid should be crisp, but not harsh. Bouquet fresh and fruity with a clean after-taste and free of bitterness, but with discernible sweetness. The alcohol is 10% - 12% by volume, and the S.G. 1000 – 1005.

Class W 6.**SWEET WHITE GRAPE.**

Pale to light straw colour, or with a greenish tinge. Bouquet should be fruity. Should be full-bodied with a soft round flavour and good acid balance. Alcohol 10% - 14% by volume, and the S.G. should be greater than 1005.

Class W 7.**DRY RED FRUIT.**

Excludes grapes and other listed classes. Medium to dark red in colour. Light to medium bodied. Acidity should be in balance and bouquet should be applicable to the main ingredient. Raisins, sultanas or grape-juice may be added but only as a minor ingredient up to 5% approximately. Alcohol 11%. 14% by volume, and S.G. less than 1000.

Class W 8.**MEDIUM RED FRUIT.**

Excludes grapes or other listed classes. Medium to dark red in colour. Light to medium bodied. Acidity and body should be in balance and bouquet should be applicable to the main ingredient. Raisins, sultanas, or grape-juice may be added as a minor ingredient up to 5% approximately. Alcohol 11%-14% by volume and S.G. of 1000 - 1005. The wine should have a discernible sweetness.

Class W 9.**SWEET RED FRUIT.**

Excludes grapes or other listed classes. Medium to dark red in colour. Should be full-bodied and in balance with the acidity. Bouquet should be applicable to main ingredient. Raisins, sultanas, or grape-juice may be added as a minor ingredient up to approximately 5%. Alcohol 11%- 14% by volume, and the S.G. is greater than 1005.

Class W 10.**DRY WHITE FRUIT.**

Excludes grapes and other listed classes. Colour mid gold or lighter or having a greenish tinge. Light to medium bodied. A fresh bouquet applicable to the ingredient used. Acid should be crisp but not harsh, and should have a clean after-taste, free of bitterness or sweet-ness, and dry to the palate, with the flavour applicable to the main ingredient. Raisins, sultanas, or grape juice may be used as a minor ingredient up to 5% approximately. Alcohol should be 10%- 12% by volume, and the S.G. less than 1000.

Class W 11**MEDIUM WHITE FRUIT.**

Excludes grapes and other listed classes. Colour mid gold or lighter or have a greenish tinge. Light to medium bodied. The acid should be crisp but not harsh', with a clean after-taste free of bitter-ness, but with discernible sweetness. Flavour should be applicable to main ingredient. Raisins, sultanas, or grape juice may be used as a minor ingredient up to 5% approximately. Alcohol to be 10% - 12% by volume, and the S.C. 1000-1005.

Class W 12**SWEET WHITE FRUIT.**

Excludes grapes or other listed classes. Colour mid gold or lighter or have a greenish tinge. Should be full bodied with good acid balance and soft round flavour applicable to the main ingredient. The bouquet should also be applicable to the main ingredient. Raisins, sultanas or grape juice may be added as a minor ingredient up to 5% approximately. Alcohol 10% - 14% by volume, and the S.C. over 1005.

Class W 13.**DRY OTHER INGREDIENT-NO SPECIFIED COLOUR.**

This class is for table wines made from ingredients other than grape, honey, or fruit (as the main ingredient) or other listed classes. Includes vegetables, flowers, cereals, strawberry, rhubarb, etc. Body light to medium₁ and acidity in balance. Flavour and bouquet should be applicable to main ingredient.
